

**SAN DIEGO STATE  
UNIVERSITY**

Dear Prospective Undergraduate Exchange Student:

We want to thank you for your interest in attending San Diego State University. This university is deeply committed to increasing understanding among the nations of the world, and you, as a member of our international community, can contribute greatly to that understanding. We share a determination to give our students the educational experiences and human skills necessary to interact effectively in a diverse society, to use technology wisely, to understand and be a part of the global community. We lead through teaching; we lead through research; we lead through service.

To apply for an exchange placement, please submit the accompanying application packet consisting of the **Application Form** (3 pages,) **SDSU Course Selection Form**, and **SDSU International Exchange Student Participant Agreement** together with the following:

- Exchange Application Cover Sheet (MS Word document, to be TYPED, not handwritten):  
[http://www.isc.sdsu.edu/prospective/iwant\\_exchange2s.html](http://www.isc.sdsu.edu/prospective/iwant_exchange2s.html)
- TOEFL or IELTS examination scores (if your first language is not English)
- Transcript(s) from all universities attended (native language versions and English language translations)
- SDSU Financial Statement Form for Exchange Students and appropriate supporting documents, as required: [http://www.isc.sdsu.edu/prospective/iwant\\_exchange2s.html](http://www.isc.sdsu.edu/prospective/iwant_exchange2s.html)

For information about SDSU programs of study and course descriptions, please see: <http://coursecat.sdsu.edu/0809/>, and for the current semester's class schedule, go to: <http://www.sdsu.edu/schedule/>

As more majors at SDSU become impacted, that is, student demand for classes exceeds what can be accommodated, it can be challenging for exchange students to enroll in the courses they want. Please read the **SDSU Course Selection Form** carefully and refer to this website: <http://arweb.sdsu.edu/es/advising/impaction.html>

For information about services and programs offered by the International Student Center, visit: [www.sdsu.edu/isc](http://www.sdsu.edu/isc)

We look forward to reviewing your completed application and welcoming you to our campus.

Sincerely,  
Lynn Eddy-Zambrano

# SDSU International Exchange Participant Agreement

As an international exchange student, you are encouraged to participate in both the academic and non-academic activities SDSU has to offer. However, as your program is based on academic performance, the following conditions are required to insure the academic integrity of the program. Please sign and date this form and return it along with your application. Your signature verifies that you have read this agreement and that you agree to abide by its conditions.

## If I accept placement as an exchange student at SDSU, I agree that:

- I will take part in all aspects of the exchange program, including orientation and evaluation.
- I understand that I must submit a SDSU participant evaluation at the end of my exchange.
- I will pay my home institution the designated program fee covering the full period of my exchange.
- I will have the status of non-degree student while on an SDSU exchange. Should I wish to seek a degree at SDSU in the future, I will be required to apply for admission as a degree-seeking student and submit all required documents as indicated in SDSU's admission policies and procedures.
- My placement will be limited to the period specified. An extension request is subject to review and approval by both my SDSU and my host institution exchange coordinators.
- My exchange may be terminated early by SDSU or my home institution if I: fail to remain enrolled full time (3 courses for graduate students, 4 for undergraduate students); fail to maintain a minimum standard of 2.0 GPA EACH semester during my exchange at SDSU; or am found by SDSU or my home institution to be in violation of laws or regulations of my host country or institution.
- SDSU reserves the right to contact my home institution in the case of a medical emergency or violation of U.S. law or university policies.
- If I withdraw from the program anytime after accepting the placement, or if my exchange placement is terminated after I enroll at SDSU, I may still be obligated to pay the full program fee at the discretion of my home institution in collaboration and agreement with SDSU. If I have received financial aid for this program, I may be required to pay back funds in part or in full.

## AGREEMENT TO PURCHASE AND MAINTAIN HEALTH INSURANCE:

I agree to purchase one of the health insurance policies offered through the International Student Center by the appropriate deadline. I understand that no other policies will be accepted with the exception of the policies offered through ISEP, Fulbright, German Academic Exchange Service (DAAD), the Swedish Government (i.e. CSN), or the Norwegian Government. I will not be able to register for classes until this requirement has been met.

### Additional Information:

Please describe on a separate sheet of paper any special needs or services you will require during your exchange (i.e., dietary considerations, hearing aids, or facilities with disabled access).

I understand that official academic records/transcripts of work I undertake at SDSU will be sent to my home institution **provided that:** all fees not covered by the program and any remaining balances which are my responsibility, are paid in full prior to my departure from SDSU. Otherwise, I will permit SDSU to withhold an authorized transcript until such fees are paid.

I agree to notify both my home institution exchange coordinator and the SDSU exchange coordinator *immediately* if I no longer want to be considered for an SDSU placement or wish to end my enrollment prior to the agreed upon time.

## SDSU Course Selection Form

*Use this form to plan your class schedule and to refer to when it is time for you to register for your classes!*

List below the SDSU courses in which you would like to enroll – list the **MOST IMPORTANT CLASSES FIRST**. To choose your classes look at the *SDSU On-line catalog* at <http://libweb.sdsu.edu/catalog/> and the *Class Schedule*: <http://www.sdsu.edu/cgi-bin/schedule>. You must choose **10 courses per semester** since not all courses will be available during your program or may require *prerequisites\**. Classes within *Impacted Majors\*\** may not be available for you to take. See list of *SDSU Impacted Majors* at: <http://arweb.sdsu.edu/es/advising/impaction.html>. Use the chart below to determine placement level:

Placement Level	Units Completed Prior to Attending SDSU	Numbering of Courses
Freshman - 1st Year	0 or fewer than 30 units completed at university level	Courses numbered 100-299 are classified as lower division
Sophomore - 2nd Year	30-55.5 units completed at university level	<i>For example: Hist 116 or Span 212</i>
Junior - 3rd Year	56 -89.5 units completed at university level	Courses numbered 300-599 are classified as upper division
Senior - 4th Year	90 or more units completed at university level	<i>For example: Span 302 or Hist 418</i>
Graduate - Post Grad.	Have Bachelors degree or equivalent completed	Courses numbered 600-799 are only open to graduate students

\* **PREREQUISITES:** Any requirement a department declares a student must complete before taking a course. “Students must satisfy course prerequisites (or their equivalent) prior to beginning the course requiring the prerequisite. Faculty members have the authority to enforce prerequisites listed in the SDSU catalog, to evaluate equivalent preparation, and to require proof that prerequisites have been completed.” Taken from SDSU catalog.

\*\* **IMPACTED MAJORS:** Majors that have more students wanting to declare the major than can be accommodated.

**ADDING CLASSES** - Exchange Students who wish to take classes that require prerequisites need to obtain authorization to do so. **Bring your university transcripts and course descriptions to prove to professors that prerequisites have been completed.** Exchange students will not be able to enroll in classes until they go to the first class meeting and ask the instructor for permission to *add* the class. Professors add students on a space-available basis, in order of class standing (graduating seniors first, etc.) and according to the order in which you sign up on their *add* list. If the professor accepts you into the class they will give you an *add code*. To officially enroll in the class, you must use that *add code* to enroll in the class in the SDSU Web Portal.

**IMPORTANT-** Meet with your home institution faculty or academic advisor to plan your SDSU course schedule. Be sure that the classes will transfer back to your home institution. If you need additional course information than what is available in the SDSU on-line catalog, contact the **Major Advisor in the appropriate SDSU department**.
